

# NEW AND PRE-OWNED MODELS SPRING 2021

We have an ever-changing stock of Pre-owned Aster and Bowande models available. Please contact us with your requirements, you never know we may just have taken delivery of exactly the model or kit you are looking for. The following are examples of the models we have in stock currently.

We also offer a building service for any of the Aster kits offered. Please contact us for prices if you want an Aster kit constructing for you.

## ASTER 5MT (2019) READY TO RUN

These are the most recent iteration of the 5MT kit built by our experienced builders. Track tested only.

**Price £3850**

## ASTER CASTLE "KINGSWEAR CASTLE 5015" READY TO RUN

Not many of these around now. A superb factory built mint boxed unsteamed example of a GWR Castle class. Factory fresh out of the box

**Price £4800**

## ASTER REBUILT MERCHANT NAVY UNBUILT KIT

We don't see many of these now. A mint unopened kit ready to be made into one of these fabulous locomotives.

**Price £4500**

### ASTER KINGSWEAR CASTLE TOTALLY AS NEW UNBUILT KIT

Another model very hard to find now as an unbuilt kit. A mint unopened example ready to be made into one of these super models

**Price £4400**

### ASTER FLYING SCOTSMAN TOTALLY AS NEW UNBUILT KIT

Another kit we don't see too often. A mint unopened Flying Scotsman ready to be constructed into this classic Aster.

**Price £3800**

### BOWANDE GWR 14XX PRE OWNED, EXCELLENT CONDITION

Bowande GWR 14xx. Gas fired. Excellent condition, steamed only a small number of times. With original box and instructions

**Price £1400**

Please call us for further information or to request additional pictures.
